JERR-DAN

FOR *EVERY* BEND IN THE ROAD

Since 1972, we've dedicated ourselves to serving the towing and recovery industry with carriers, wreckers and rotators proudly manufactured in the USA. But when you're built to tow, going the extra mile is simply what you do. That's why Jerr-Dan is proud to support your operation with services you need to keep you — and your bottom line — driven.

>> EQUIPMENT

Get more tow in every shift with our industry-trusted lineup of carriers, wreckers and rotators engineered to meet the demands of every job — anywhere, anytime.

>> PARTS & ACCESSORIES

Looking to fix it up or dress it up? Our stock of genuine Jerr-Dan parts and accessories will keep your machine working — and looking — in tip-top shape.

>> SUPPORT

Free online access to operations, parts and supplemental manuals, operator training and the industry's best warranty program are just the beginning of how we'll be there for you when you need it most.

>> JERR-DAN FINANCIAL SOLUTIONS

From online application to vehicle disposal assistance, we offer custom financial solutions and support tailor-made for your unique needs.

>> TOW LINK™

Know the tow with this intuitive mobile app that helps operators better understand their tow truck's capacity and data with Rigging Utilization and Tow Performance calculators.

The Jerr-Dan parts and accessories shown in this catalog are available only through authorized Jerr-Dan distributors. This helps ensure the highest-level quality of our products and expert service for customers.

To keep your business up and running, you make sure you run with nothing but the best. That's why you trust Jerr-Dan.
